

Onboarding Trust beneficiaries.

The Darlot Trusts (DCT & DDBT) currently have **195 beneficiaries** whose details have been registered in the trustee system (Custodian Community or CC).

If you have completed the FAS permission Form and given it to the Watarra Aboriginal Corporation, you do not need to do anything until we contact you.

Once the Corporation provides FAS with your information, we will update your details in CC and contact you.

We want to reassure all Watarra Aboriginal Corporation members that we will add you to the Trust as soon as we receive your details.
